

# Application for Exemption from the Shared Responsibility Payment for Individuals who are Unable to Afford Coverage and are in a State with a Federally Facilitated Marketplace

THINGS TO KNOW

## Use this application to apply for an exemption from the shared responsibility payment

- Starting in 2014, every person needs to have health insurance or make a payment on his or her federal income tax return. This is called the “shared responsibility payment.”
- Some people are exempt from making this payment. This application includes one category of exemption. There are other applications for other categories of exemptions, and you’ll also see some exemption categories when you file your federal income tax return.
- You don’t need to ask for an exemption if you’re not going to file a federal income tax return because your income is below the filing threshold. If you aren’t sure, you may want to ask for an exemption.

## Who can use this application?

- **Use this application if you’re unable to afford coverage. If you get this exemption, you may be able to buy catastrophic coverage.**
- Use this application to ask for an exemption for months in the future. If you want this exemption for a whole calendar year, you need to request it before the year starts. You can also claim an exemption on your federal income tax return if you’re unable to afford coverage.
- You can use one application to ask for this exemption for more than one person in your tax household.

## What you need to apply

- Social Security numbers (SSNs), if you have them.
- Employer and income information for everyone in your family (for example, from pay stubs, W-2 forms, or wage and tax statements.)
- Information about any job-related health insurance available to your family.
- Proof of your yearly income for 2014. See page 9 for examples of documents you can send.

## Why do we ask for this information?

We ask for Social Security numbers and other information to make sure your exemption is counted when you file your federal income tax return. **We’ll keep all the information you give private and secure, as required by law.** To view the Privacy Act Statement, go to [HealthCare.gov](http://HealthCare.gov) or see instructions.

## What happens next?

Send your complete, signed application to the address on page 8. We’ll follow-up with you within 1–2 weeks and let you know if we need additional information. If you get this exemption, we’ll give you an Exemption Certificate Number that you’ll put on your federal income tax return. If you don’t hear from us, visit [HealthCare.gov](http://HealthCare.gov), or call the Health Insurance Marketplace Help Center at **1-800-318-2596**. TTY users should call **1-855-889-4325**.

# STEP 2 Tell us about your family.

## Who do you need to include on this application?

Tell us about all the family members who live with you. If you file taxes, we need to know about everyone on your federal income tax return. (If you get this exemption, you'll need to file taxes to use it.) If you get this exemption, we'll give you an Exemption Certificate Number with your approval letter. Keep this for your records. You'll need to put this number on your federal income tax return at the time you file taxes.

### DO Include:

- Your spouse
- Your children under 21 who live with you
- Your unmarried partner who needs health coverage
- Anyone you put on your tax return, even if they don't live with you
- Anyone else under 21 you take care of and who lives with you

### You DON'T have to include:

- Your unmarried partner who doesn't need health coverage
- Your unmarried partner's children
- Your parents who live with you, but file their own tax return (if you're over 21)
- Other adult relatives who file their own tax return

This information helps us make sure everyone gets the exemption that they qualify for.

## Complete Step 2 for each person in your family.

Start with yourself, then add other adults and children. If you have more than 2 people in your family, you'll need to make copies of pages 5-7 and attach them. You don't need to provide immigration status or a Social Security number (SSN) for family members who don't need an exemption. We'll keep all the information you provide private and secure, as required by law. We'll use personal information only to check if you're eligible for an exemption.

**NEED HELP WITH YOUR APPLICATION?** Visit [HealthCare.gov](https://www.healthcare.gov) or call us at **1-800-318-2596**. TTY users should call **1-855-889-4325**.

## STEP 2: PERSON 1

If you need help getting an SSN, visit [socialsecurity.gov](https://www.socialsecurity.gov), or call **1-800-772-1213**. TTY users should call **1-800-325-0778**.

## STEP 5 Proof of Yearly Income

In order to approve you for this exemption, we need proof of your yearly income for 2014. Examples of documents you can send include:

- Wages and tax statement (W-2)

- Letter from employer
- Self-employment ledger
- Cost of living adjustment letter and other benefit verification notices
- Lease agreement
- Copy of a check paid to the household member
- Bank or investment fund statement
